AMBASSADOR

CHRISTIAN HIGH SCHOOL • Downey, California • The Shield "74"

Dear World,

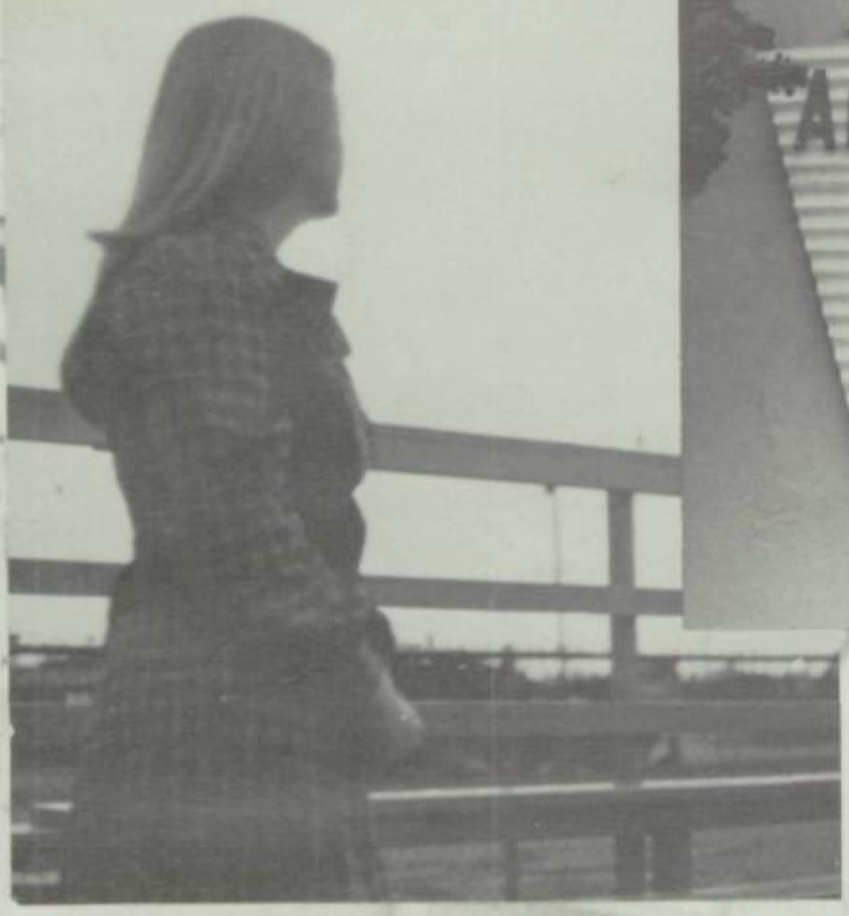
I am sending Ambassadors to you because I can't be there myself, though I'd like to be. With them I'm sending you all my love, joy and peace so you can still feel my presence while I'm visiting my Father.

I want you to know that I love you very much; so much that I died for you.

If not delayed I'll be coming again real soon.

P.S. Please respond!

all my love,
Jesus Christ



Ambassador is like a letter; a love letter from God to the world. Each student and teacher is like a single word. They are all individually unique, each with a different function. But they all work together to accomplish the same purpose; to relate God's love to the world.

II Corinthians 3:3 "You are an open letter about Christ . . . written, not with pen and ink but with the Spirit of the living God."

But God didn't expect us to do the job in our own power. He provided the power through His Son, Jesus. It was Jesus' blood that paid for the postage. It is His stamp that marks the envelope. In addition, God has sealed us with His Holy Spirit as a guarantee that He will do as He promised.

I John 2:6 "The life of a man who professes to be living in God must bear the stamp of Christ."

Ephesians 1:13 . . . "in whom also after ye believed, ye were sealed with the Holy Spirit of promise."

The Reflection of His Image doesn't end here; It goes on and on. . . .

Ackowledgement: The Image that we are trying to reflect this year is that of our Lord Jesus Christ. It only stands to reason then that the contents of this book are His contents. We the yearbook staff want to acknowledge this fact and with up-lifted hands give praise to Jesus. His hands have worked through our hands, His mind through our minds and His love through our hearts. These are His contents and the glory is His glory. Thank you Lord Jesus!

REFLECTIONS

We at Ambassador
Are just a reflection
Towards the way we are going,
Heavenly direction.

We reflect the Image
The best we can
Of Jesus Christ
The perfect man.

We wish to share
This Image with all
Who will come before Him
And on their knees fall

In Jesus name
This school is blessed
And through His pow'r
We are the best

We serve the Lord
In every way
For every year
For every day.

Reflections, the Image
Of Jesus our Lord
Come strongly before us
Like a two edged sword

The strength we have
The power we get
When we ask our Lord
For righteousness.

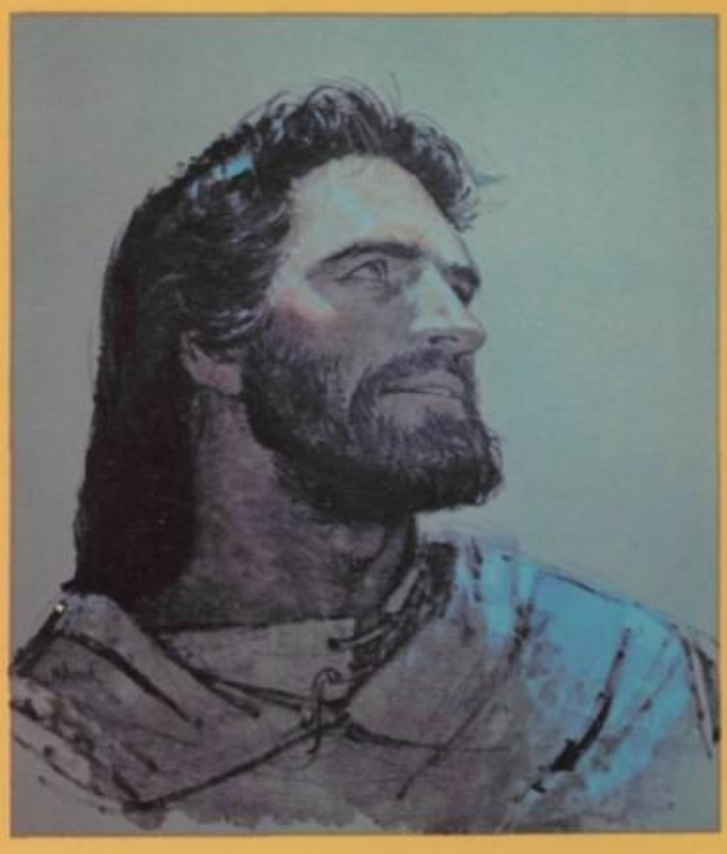
When your wondering where to go
Or which direction
Look to Jesus and
Be a reflection.

the reflected image of "a lovely friend"

there are no words that can be used
and it hurts to know there is no expression,
but if i had poetic thoughts from which to choose,
i know i could write of a beautiful affection.

you showed me reality isn't a total waste
and now i can see my dreams begin
because you died on the cross, and took my place.
and for that you are my friend . . .

such a lovely friend



O'Lord
Why have You chosen me to be worthy enough to reflect "Your Image?" I am nothing, yet still You place Your trust in me to carry forth Your Reflection, how is it possible?

Oh sure I have at times, or at least tried too, but much to often I have failed. Even so Lord You still find me fit to accomplish this task. But why? Why so You so patiently forgive my downfalls and trust in me to reflect the Image of Christ? I am so unworthy.

I am weak Lord, and because of my weaknesses Your Reflection becomes weak. Help me Father!

By slipping I drag Your name down into the filth. Yet You reach out Your hand of Love and pull me out. Its to much for me to understand.

I have marred Your Image Lord, but everytime You seem to remove the imperfections and help me to start all over. But why?

All the times I have erred, all the times I have sinned. You seem to only Love me more and help me again to reflect Your Image. Why?

My
Child

Why do you
speak so foolishly?
Why do you put your-
self down so?

I made you something, I
Love you, does this not
matter. You are my child and I
have called you to be mine.

I see your faults, I know of your mis-
takes, I am witness to your sins. You are
telling me nothing new, it hurts me, but I
know.

Do no mock me by condemning yourself. I do not
condemn you. What gives you the right?

Your only fault, your only mistake and your only sin is
not fully trusting and obeying Me. If you want to entirely re-
flect Me by your being, inner and outer, completely lean on me.
I will do the rest.

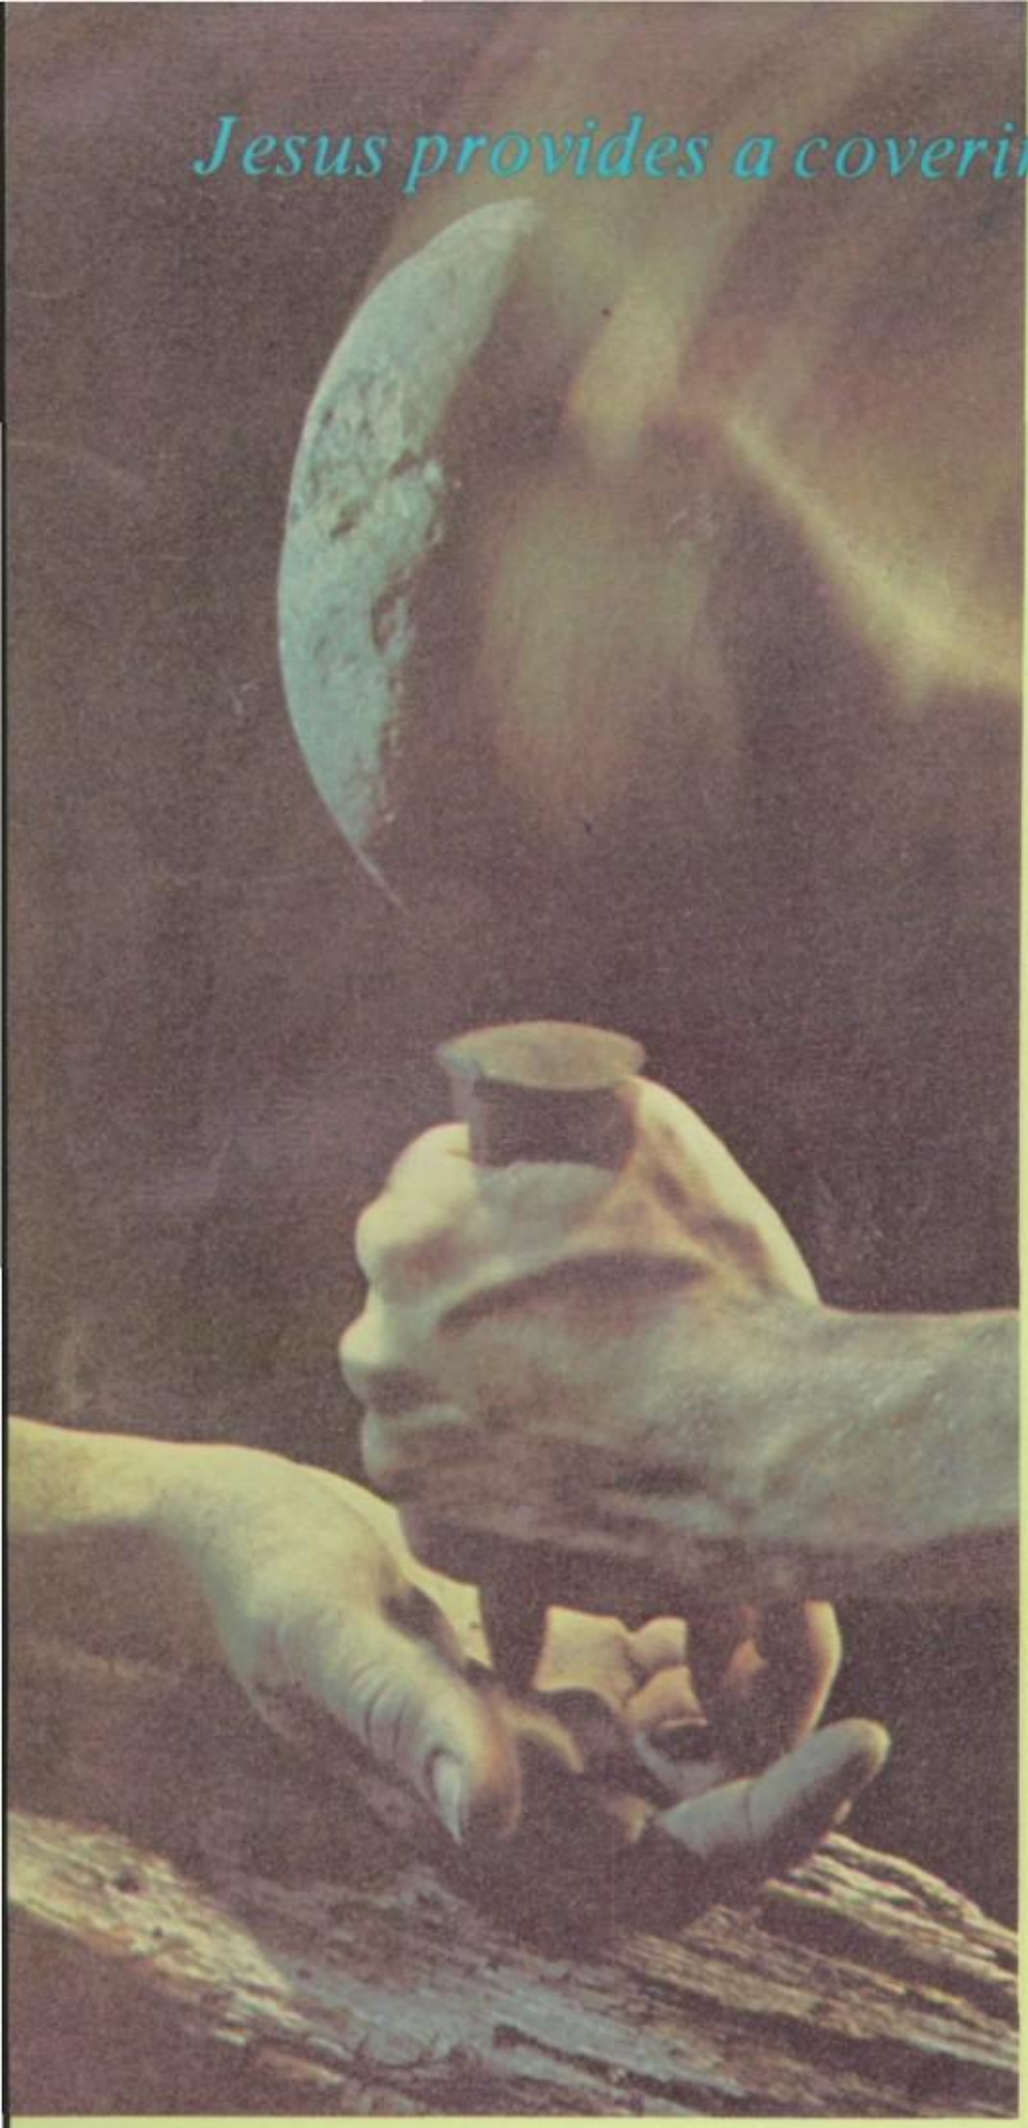
My Image will not be distorted nor will it be blurred. Because I have
chosen you, be My Image!

Follow my word, pray, have faith, so people will see Me through you, this
is my desire and I know it is your prayer.

So put away silly thoughts, forget your foolishness, get up, dry your eyes, now start
reflecting Me!

My Love does not change, I will always be there to lead and guide and when you have
troubles and heartaches I am with you.

Now I command you, be "My Reflected Image."



Jesus provides a covering over us . . .

which changes what God sees. Now we stand before Him covered with His Love, reflecting the Image of the SON!

We Dedicate this book to Him who is Everything! Our Lord, our Savior, our Lover and Maker. We are striving to be like Him, to reflect the beauty and warmth of His person. In His likeness we were created and as new creatures we are transformed into His perfect IMAGE! What a small and insignificant thing to Dedicate this book to Him who has given us so much! If only we could Dedicate something more. If only we could Dedicate our lives!

. . .and it doth not yet appear what we shall be: but we know that, when He shall appear, we shall be like Him; for we shall see Him as He is!

REFLECTIONS

The way I see it...

As I look at Ambassador I see an IMAGE, a new image. At first, it is not clearly seen. Like a shadow it is a vague thing that follows us. As the year progresses we see the IMAGE rise and dominate the entire picture. We can see the face, that loving kind face, and those eyes. We see hands outstretched toward us and as the IMAGE overwhelms us, we see scars, ugly scars on hands and feet. We recognize now who and what that IMAGE is and we feel so insignificant. Something begins to take place as we stand in the presence of this IMAGE. We seem to fade away and become transparent. People are looking at us. Some have a puzzled look on their faces, while others are smiling as they look. We smile back but they seem to be looking through us. We recognize now that what they see is THE

THE NEW IMAGE has caught fire in the hearts of the administration, faculty and students at Ambassador this year. Paul the apostle in Romans 8:29 relates this inspired truth, "For whom He (God) foreknew, He also did predestinate to be conformed to the image of His Son . . . " The word word pre-destinate means "to plan beforehand." Ambassador is God's school. He intended that the school be a reflection of His Son, our Lord Jesus Christ. Paraphasing Ephesians 4:11-12 we can say, "and He gave some board members, some administrators, some teachers, some staff members, and some student and parental leaders; for the perfecting of the students, for the work of the ministry, for the edifying of the body of Christ; till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect school, unto the measure of the stature of the fulness of Christ," The Image of Christ has been reflected in several ways this year: in the outreach ministry to churches, to Los Amigos Hospital and to the community; in the sports activities; in chapel services; in the classrooms as the teachers present a very intentionally spiritual integrated curriculum and in the social relationships of the students and faculty.

When we bring our lives into conformity to the Image of God, He gives us four benefits as listed in Genesis 1:28: (1) blessings; (2) prosperity (fruitfulness); (3) growth (multiply and replenish); and (4) authority (subdue, conquer, overcome). Ambassador will have these benefits because it seeks to reflect His Image.

Good Shepherds

Mr. Ronald Parry
Vice Principal

"Let us make man is our image, after our likeness . . . so God created man in his own image, in the image of God created he him; male and female." These stirring words from Genesis chapter one verses 27 and 28 declare God's eternal purpose for man. God never intended for man to be anything less than God's own nature. Unfortunately man chose sin rather than obedience to God, and in choosing sin lost the image of God. In God's eyes only one man lived on the earth until Christ, and that was Adam. Through Jesus we are restored to our rightful position of being in the image of God. God has chosen us, adopted us, and made us acceptable in the Beloved. He gives us His nature, His joy, His peace, His love, His grace, His life, His righteousness, His salvation, His spirit, His power. In fact everything He owns is ours, because we are His heirs. We are his workmanship. We have no room to boast in ourselves -- it is God. The greatest thing that could happen to a Christ-like person would be to be mistaken for Jesus, because His image so totally dominates his life. "Let us make man in our image, after our likeness . . . " And He does.

High School is that long 4-year battle which ends with the grand finale of graduation, but it just doesn't end there. Just as you have that long 4 days of practice before a game, there are yet other games to play. Coaches insist that how you practice will be a determining factor on the game, and the standings are the sum of the games played. Graduation is a game oeing the accounting of the work before the graduation. Waiting for you to choose your own schedule, life is filled of the other games to be played, and at the end what standings will prevail?

The year 1974 is the one that remain in your memory - Seniors = The year of your graduation, Juniors = next year seniors, Sophomores = not freshmen anymore, and Freshmen = High School!!! As we hear of your accomplishments in this exciting and challenging world, we, too, will remember - and the reminiscences will be filled with the smiles and the tears, the victories and the defeats, the experiences that made you never to be forgotten individuals.

"The horse is made ready for the day of battle, but the victory belongs to the Lord". (Proverbs 21:31)

Working at Ambassador I have come to appreciate the value of education. I appreciate the freedom to tell the good news of salvation.

What more can be said after three years, than that I love this school, its students and the Lord. I have grown spiritually because of my time at Ambassador, and it holds a very special place in my heart. Thank God for the assignment on this mission station.

Miss Soldano

Praise God for the ministry we all have at Ambassador. I have been in Christian school teaching for five years in Ohio and California. For me it's the only way to go.

Becky Wood

"So run that ye may obtain"-the goal God has for every one-God still needs a "Paul" or a "Moses" to lead and to declare His purposes. This is "why" Christian Education-and why I'm glad to be a part of Ambassador.

Katherine Gray

Once one comes to Ambassador it's hard to leave. It becomes a part of one's life and thoughts. That is why I have been teaching at A.C.H.S. for eleven years. The memories of my experiences during those unforgettable years fill one of the happiest chapters of my life. I have taught, trained and loved hundreds of youngsters, and at the same time I learned from them and felt their love and respect. But above all I have flet the happiness that can only be found working for the Lord.

DEVOTIONS

The Thoughts of a Country Welshman, Prayer life is more than the few words we utter each day; but rather it is the way we walk, talk, and live. The prayer of faith is a life of prayer.

If earthly armies can claim things in the name of their earthly lords, how much more the armies of the King of Kings and Lord of Lords.

Ron Parry

Since God is not just calling Pastors and Missionaries, but Artists, Teachers, Printers, Sales Clerks and Secretaries - whatever -- We as teachers here at Ambassador are having the joy and privilege lege of helping His future "Roving" Ambassadors train for their positions.

Katherine Gray

This is my third year at Ambassador and each year the school gets better and better not only spiritually and sociality but physically also.

I'm really looking forward to a fine year in girls sports in both High School and Jr. High. We are adding several new activities this year to keep our department growing year after year. I praise the Lord for letting me be a part of Ambassador's growth.

Reflections

As I reflect upon my life,
I think of happy days,
Where childhood pranks and carefree times
Are the memories of my ways.

As I reflect upon my life,
I think of searching days,
And then I found my Jesus,
The Path to saving grace.

As I reflect upon my life,
I think of lonely days,
The loss of one who was so loved
Who has gone with saints to praise.

As I reflect upon my life,
I think of friends I love,
With the love of Christ, our Savior
His love comes from above.

As I reflect upon my life,
I count the times so dear;
The times in Chapel when in prayer;
The Lord, my God, so near.

As I reflect upon YOUR lives
I've seen the hand of God
Upon your hearts and minds and souls
Wherever you have trod.

As I reflect upon your lives,
It's this I say in prayer,
May God be yours, may you be His,
In love, and His constant care.

DENNIS MORROW, a spiritual leader on our campus rightly deserves this honor. You can tell a persons life by their characteristics. Dennis is always there to help and usually the first to volunteer to do the job. He is a hard worker and gets the job done. He has school spirit and is enthusiastic, has served the school in leadership each year of his high school life. Dennis is diligently at work for bettering our school. He has sensible ideas, and acts mature for his age. Dennis is also a product of a good christian family and training, for he is a gentleman, well mannered, considerate and manly. He is respected by his fellow classmates and is truly trustworthy. He is respectful of others. Dennis is an outstanding example of a christian young man and will be remembered for his outstanding spiritual leadership, sincerity, and dedication to the school and the Lord. His heart is tender to follow after the Lord and to open his future plans to be in the Lords will. to My will. You are His CHARACTER, your deeds and possessions are INSPIRATION, INFLUENCE and EXAMPLE. "You live in me and I reign in you" (John 15:4) You show higher motives, ideals, and concepts. Your STRENGTH, COURAGE, SINCERITY, QUIETNESS, CONFIDENCE, SOLITUDE, SERENITY, DETERMINATION, TRUST and WITNESS to your school, home, church, and community edify God. You are MY REFLECTION in your LOVE, DEVOTION, and GODLINESS. The only thing in the world worth caring for is to become Christlike! Janice and Dennis, you are my sermon to Ambassador and it has gained much; for no young lady or young man can really be STRONG, GENTLE, PURE, and GOOD without the world being better for it. Because your administration, faculty and staff recognize that you fulfill these qualities, they have selected you to receive this honor; however God receives the glory, you receive His gratitude. III John 1:3-4 reminds us that "I rejoiced greatly when the brethren came and testified of the truth that is in thee"..."I have no greater joy than to hear that my children walk in the truth". AMBASSADOR HAS SEEN ME-YOU ARE MY AFTERGLOW!

YOUR REFLECTOR,

Janice Reynolds

JANICE REYNOLDS is a diligent, dependable, hard worker, who has given much service to the school. SERVICE is one of the key words that best describe Janice, a servant that is not always in the limelight but is rather unnoticed in the background, drawing more attention to God at work than to herself. She really possesses Christlike character, is compassionate, slow to anger, and is a friend to all. Janice is admired and respected by both youth and adults. She is enthusiastic and has a lot of spirit, yet, her real strength is displayed by her quiet, humble, inner SPIRIT which glows and radiates her deep convictions, experience, obedience and devotion to God. She has a compassion for her fellow students and is spiritually concerned about others. She radiates this expression of GODS INNERGLOW through the communication of her warm, vivacious smile. Her face "glows in the Lord". Janice is an example of a christian young lady that has had good training from her parents. It is evident that her deep love for the school and the Lord are inherited qualities from her family. The administration, faculty and staff recognize these qualities and honor Janice because she is a REFLECTED IMAGE. We see Jesus, when we see Janice.

A GRADUATES' PRAYER

Father, I have knowledge, so will You show me now,
How to use it wisely and find a way somehow,
To make the world I live in a little better place,
And make life with it's problems a bit easier to face . . .
Grant me faith and courage and put purpose in my days,
And show me how to serve Thee in the most effective way,
So all my education, my knowledge and my skill,
May find their true fulfillment as I learn to do Thy will . . .
And may I ever be aware, in everything I do,
That knowledge comes from learning, and wisdom comes from YOU.

Reflections of His Image

His hands are my hands
to reach out and
touch a troubled spirit
to mend, to heal, to comfort.
His eyes are my eyes
to see the world as He sees it
to communicate compassion and love
His lips are my lips
to speak words of encouragement and wisdom
to share the things of my Father.
His feet are my feet
to walk in paths directed by the Spirit
to share in His ministry and suffering
His life is my life
abundant and overflowing
reaching out beyond the limits of
time into eternity.

Janice Reynolds

"Let everything you do reflect your love of the truth". Titus 2:7

JANICE REYNOLDS has achieved the highest academic honor that can be received from high school graduation, that of valedictorian. It is phenomenal that one so active in school affairs, organization, and service, is still able to achieve scholastically. In addition to this honor, she was the editor of this yearbook, 1973 "Unity" Award winner, and recently named as "Miss Ambassador" 1974. These are outstanding achievements that show evidence of purpose. We recognize this exceptional reflection and character traits.

Salutatorian

I looked in a mirror
and was shocked to see
a reflection of someone
the true me

No longer was I the "holy one"
who went to church and prayed
but one with friends'
who had it made

Today was just another day
problems came and tension built
that didn't ever happen
when I was Spirit filled

I took another trip to the mirror
only to find that I had changed
what was my real purpose here
what was my aim?

I sought the answer honestly
although I found it dim
my REAL purpose in life--my REAL aim--
to be like Him.

AMAZING THOUGHTS

The moon has a special glow and the
stars look like diamonds in the night,
Every snowflake that falls from the sky
Is amazing in my sight.

Millions of rain drops fall from the
heavens and into the blue sea,
So many blades of grass in the ground,
So many leaves on a tree.

They say that "beauty is in the eyes
of the beholder" and in nature
beauty I see,
For every little thing in life,
Has a special meaning to me.

Even more beautiful than the
thoughts of nature
that suround us in this great
big land,
Is the thought that the same
wonderful God
that made all these things
also holds my hand.

God's Gift's

There's natures sunshine bright and warm;
Where ever we maybe;
And as the sun goes sinking slow;
There's other things we see;
The beauty of the moon and stars;
At night our eyes behold;
God gives his children everything;
To satisfy their souls;
We see the beauty of the trees;
The flowers bloom so fair;
All these things God has made;
His children get a share;
We see the ocean wide and deep;
It's waves like billows roll;
God gives his children all these things;
To satisfy their soul.

By Rhonda Henricks

When I came to Ambassador a few years ago I didn't realize how much it would mean to me. This I have realized, that the the kids that go here are close like brothers ers and sisters. When the school year ends, I just can't wait to get bakc to school and see all my friends.

It's time for another friday night game at Regale Field. Blue and gold streamers flutter on the goal posts and the fences are lined with colorful banners. Under the lights the Royals warm up for the game, while people crowd into the stands talking and laughing. But tonight there is a different feeling of excitement in the air for it is Homecoming 73-74, a night of memories, when we relive "Yesterday, Once More". Once Donna Raport, the lovely Queen of 1972, is led to her place of honor by Student Body President, Dennis Morrow, the game immediately gets underway. With cheerleaders and fans yelling with excitement, the Royals roll over Maranatha in the first half to produce a 24-0 lead. The festivities begin with the field becoming a stage for princesses and a queen. The three team captains, Jeff Malstead, Louis Taylor, and Greg Wilson, walk to the center of the field to await the Freshman Princess, Joyce Leeman, riding in a 1914 Roadster, graciously donated to this event by Mr. Fred Upshaw. As Joyce, arrives, she is escorted by her handsome escort, Armon Garcia. In a 1923 Touring Car, driven by Charles Jager, the Sophomore Princess, Cindy Atanay, arrives and is escorted by Phil Lewis to her seat of honor. Joy Pilot, the Junior Princess, radiates her "joy" as she arrives in the 1931 Touring Car driven by Jances Wesbrooks. Glenn Moore meets her to escort her to her place on the royal throne. The Senior Princess, Renee Dixon, now arrives in her 1937 Sedan, escorted by Bobby Valdez. The final moment everyone has awaited is here as the 1931 Chevy stops in the center spotlight. Radiating her beauty, Carolyn Haggard, steps forth and is met by Donna where she proudly is crowned and receives the royal blue robe. Her escort, Norman Miller, takes her arm to lead her to the throne and title she now possesses, that of the Homecoming Queen of 1973. The radiant queen and court reign over the remainder of the game which finally ends with a score of 50-0. It has truely been a memorable evening.

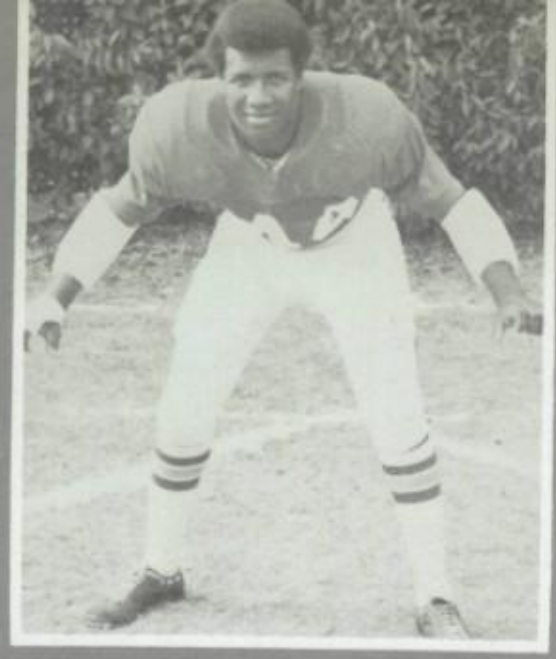
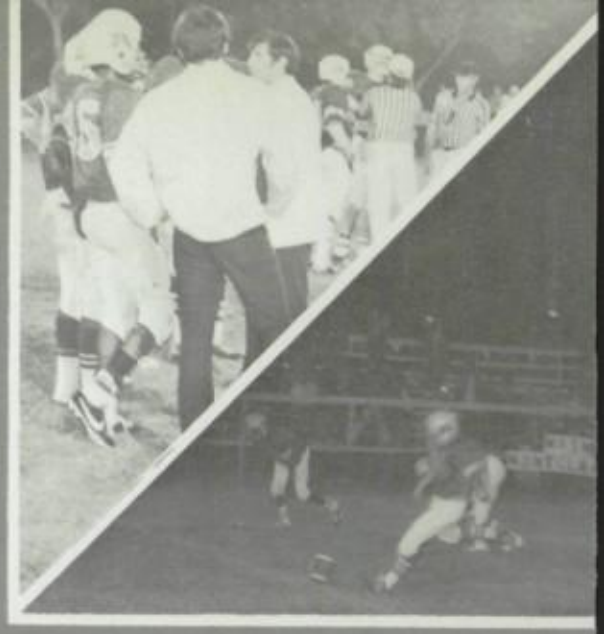
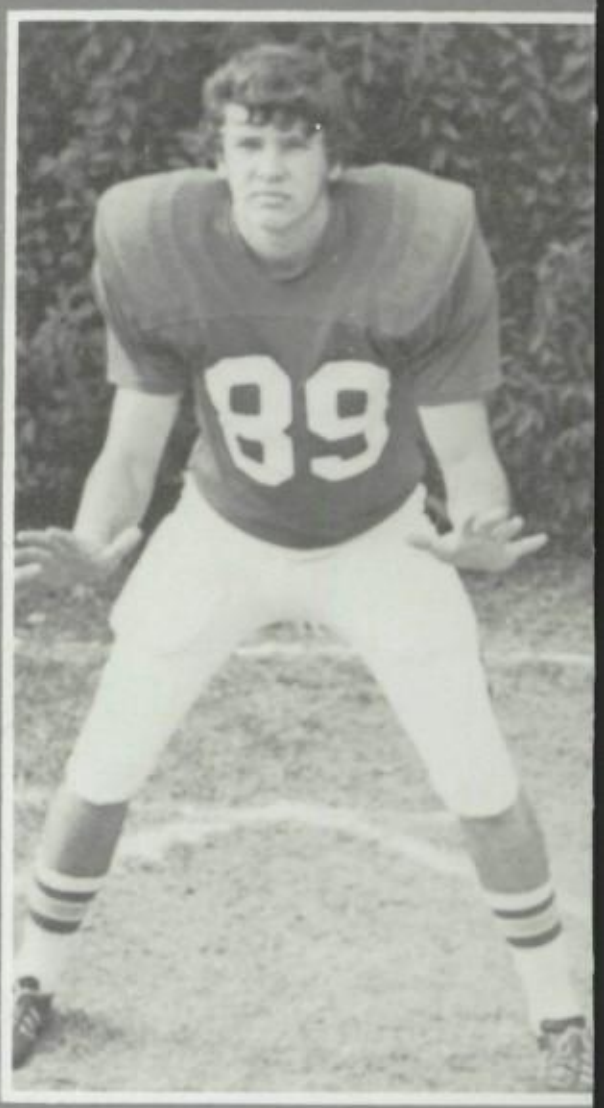
BALL







This years football team compiles a 4-4 record and came in third place in the league. We had a well balanced team with several seniors as well as some fine underclassmen leading the way. The team was noted for hard hitting and clean aggressive play.

The Junior High School football team closed out their season October 31 against Heritage. This game highlighted the strength and weakness of this years team. Holding Heritage scoreless, the mighty Royal defense allowed only 28 points throughout the season, yet met frustration as the offense could only score 25.

In the Big-Inning the Royals were without balls and bats, and darkness was upon the face of the field.

Then the coach looked upon the skills of the team and saw they were without form and void.

Then the coach said "let there be a team", and there was a team and divided he them upon the face of the field and separated he them, the pitcher from the batter and the infield from the outfield and gave them dominion over the ball.

He saw that it was good and in the 7th inning he rested.

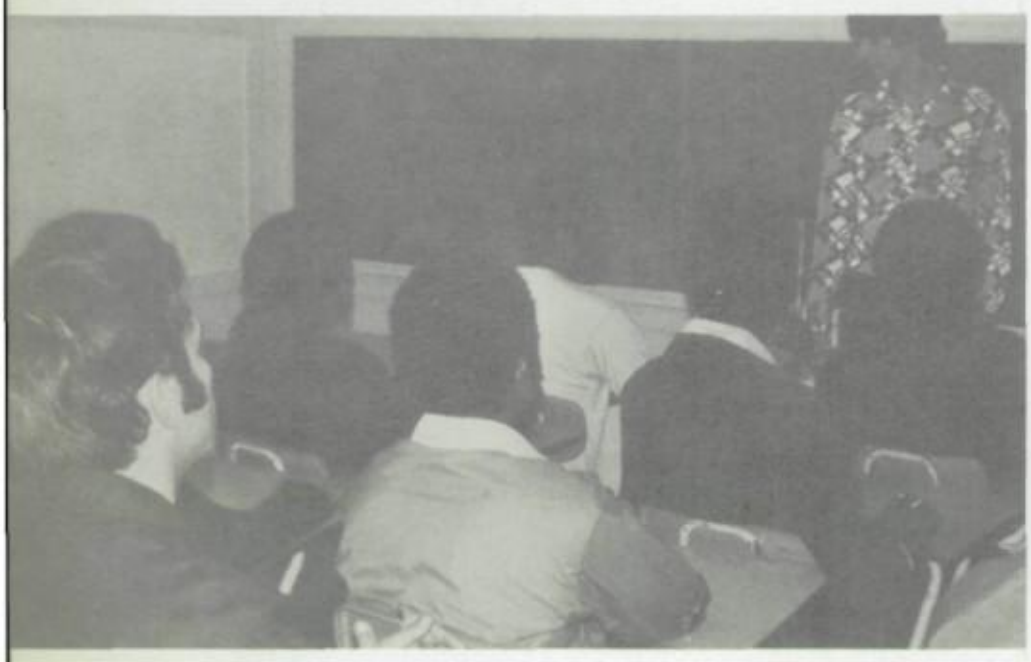
Fellowship of Christian Athletes



The Fellowship of Christian Ahtletes is exactly what the name implies. The huddle group, started last year, really became active in the second semester this year. It sponsors many activities throughout the year.

Jeff Malstead wins the distinction of "Player of the Year" for 1974. His outstanding statistics bear reason why he has achieved this honor. In each sport Jeff creates intensity and an emotional involvement like no other athlete on the field, court, or track. This enthusiasm spreads throughout the team and watching Jeff play becomes an intense experience. In each sport he has been recognized as most valuable player. He is the spark that has set our sports achievements ablaze.

Basketball

Basketball is a part of life
and is a part of me,
It's something that I must do
and someone I must be.
I love to play the game at home
or at a park,
And just to know that Jesus will
help me, and make's me happy deep inside
To become good at takes so much
training, sweat, and years,
But after everytime I practice
to my goal I feel closer, one step nearer.
Sometimes I get discouraged, but
this game I will never hate.
See this game takes patience, hope
and also faith.
I keep in mind that practice
is very important to me.
And in the future of my
life, number one is what I will be.

Eric Labat

Something should go on record about the character of an athlete. It is not only performance that is recognized but what inspiration the athlete has been to his team and the witness he has produced. Eric Labat goes forth to combine excellence in ability with inspiration. He is thought to be the best example of Christian character and witness. His determination to achieve in his sport is related to his "reflecting" Jesus.

The RETREAT, a spiritual advance fo

The Lord blessed us with a great retreat this year. He was there in a very definite way and drew us together in a bond of love and unity which could not be broken. Our image of Christ was reflected in a great way. The Holy Spirit blessed and many lives were turned over to God.
The fellowship was wonderful and the camp was beautiful.
We all praise the Lord for the marvelous outcome of our great retreat.

Walking in the steps of Jesus
Is a life long task,
Its the road that leads to hardships,
But with reality to grasp.

The road is sometimes lonely
Especially when you have to stand alone
Sometimes it seems awfully dark
But thru it all you know you've grown.

There are many things to learn and do
So many things to say,
But its great to know you have a friend
To guide you all the way.

"And if, as my representatives, you give even a cup of cold water to a little child, you will surely be rewarded."

Matthew 10:42

The Cup of Cold Water Ministry is a new outreach of Ambassador since September. The whole program is a totally voluntary thing. One night a week from 3 to 8 hours the girls that make up the ministry give of their love and extra time to help the handicaped and hospitalized children at Rancho Los Amigos. It's our way of letting the love of Jesus spill out; and what better way to reflect His IMAGE!

THE CUP OF COLD WATER MINISTRY LETS JESUS' LOVE SPILL OUT!

"I AM the VINE, ye are the branches."

The year began with selection of the theme "IN HIS IMAGE". The theme was chosen by the executive officers as they set their goals for the year and attempted to raise the "image" of our school. Linda Cancilla and Mary Hay, Chapel Commissioners, took leadership in planning each of the chapel services. They were later joined by Cheryl Cooper, and though each took this leadership, the chapel leader was the Lord. Activity Commissioners, Kay Tyler and Tricia LeGrande, planned parties and other activities during the school year, such as the Homecoming Banquet, Sweetheart Party, etc. Coming closer to the top of this branch are the class officers, John Cancilla(7th), Mary Brooks(8th), Mark Pilot(9th), Traci Belles(11th), and Rick McConnell(12th). Finally, the branch progresses to the executive officers. Denise Welch, ASB Treasurer, did all the book keeping and handled all monies for each class and each activity. Rene Spinaio, ASB Secretary, Janice Reynolds, ASB Vice President, and Dennis Morrow, ASB President, successfully planned and organized each responsibility and served the school with their outstanding leadership abilities. Mr. Ron Parry, helped by his guidance and advice as he served Advisor. As the year progressed many things took place, but the most important is that the Lord took place in our hearts.

reflections of the HOLY thru

As you thumb through the pages of this yearbook, you will probably notice the little dove resting above each page number. The significance is to recognize that the Holy Spirit did the page through a staff member. Many times the Holy Spirit gave the complete idea and layout for this book or He led us to the resource that was just perfect. Therefore, we attribute the photography, copy, artwork, etc., to Him through the staff members initials. We have had some tremendous experiences, too numerous to account on this page, yet, perhaps that is why we are extremely excited to recognize that this book is HIS BOOK and the only book published in 1974 where each page was Holy Spirit directed and acknowledged.

Matthew 4:4 states "Man shall not live by bread alone but by every word that proceedeth out of the mouth of God," Another way of saying this might be that people should not just be concerned with simply the physical aspects of life such as stuffing our faces with food, but we should also be concerned with feeding our spiritual man. We can do this through reading the Word of God. We also feed our minds and souls through communication with our fellow christians.

The BLUE AND GOLD is the "word" on what's happening around Ambassador. Its staff of fearless reporters courageously trample through the halls to get the news first time, every time. Under the leadership of a very special dictator from Argentina, these dedicated journalists do their best to make the BLUE AND GOLD an enlightening and entertaining piece of world renowned (?) literature.

Special thanks to the BAKE SHOPPE for their friendliness and cooperation.

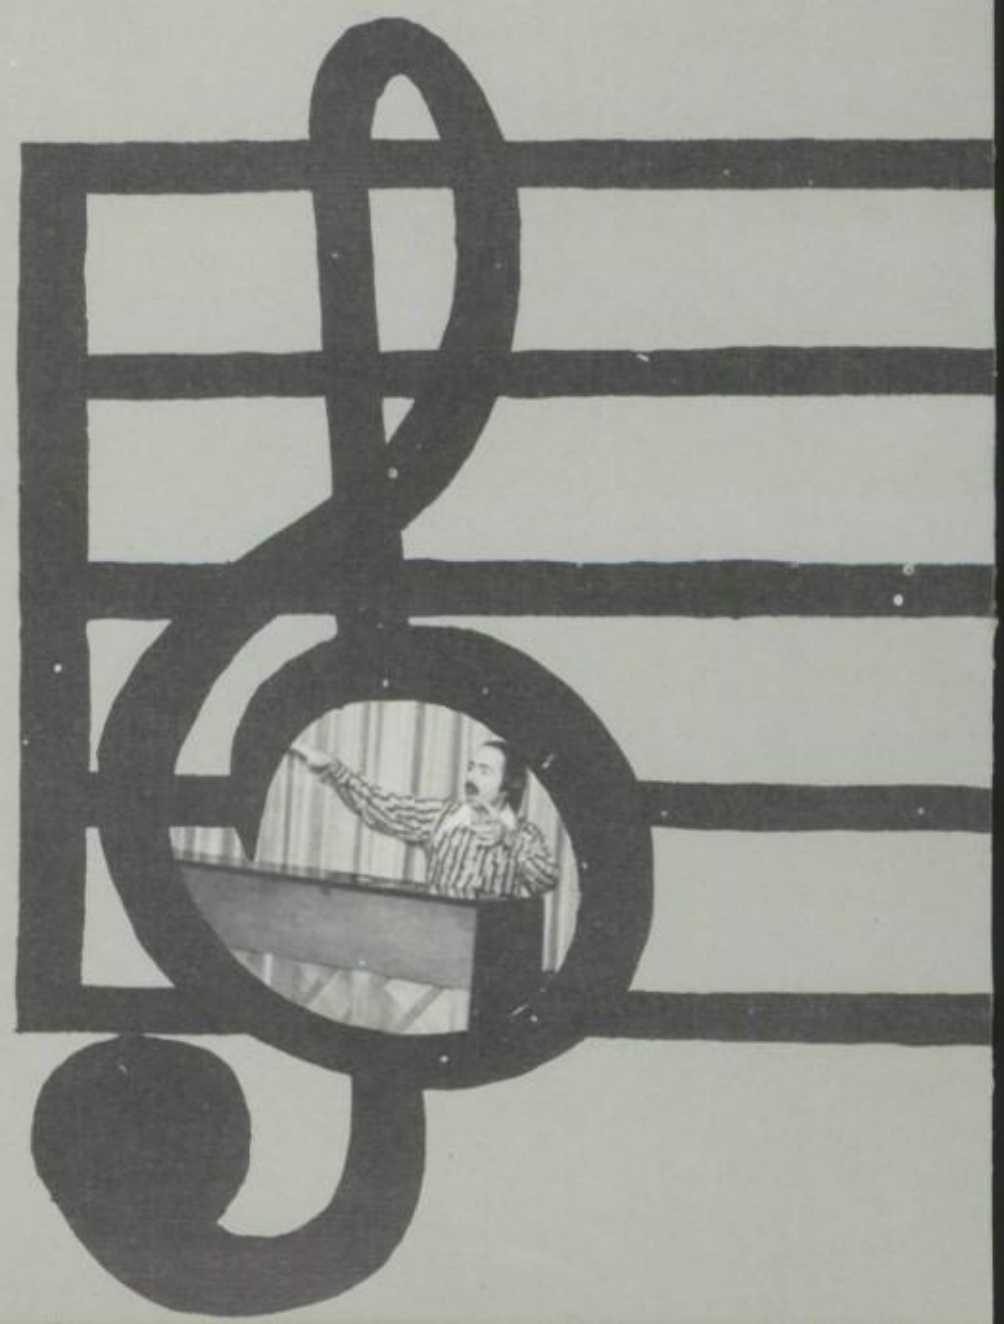
SENIOR HIGH CHOIR



The Senior Choir, under the direction of Mr. Don Norville, has been a tremendous asset to the music department of our school. His outstanding leadership has enabled the outreach ministry of our school to progress. The choir has participated in many visits to neighboring churches. Ambassador is blessed with a fine display of musical ability and has experienced new spiritual heights through this avenue of music. Ambassadors music program will be including a musical in the spring when the choir will present "I'm Here, Gods Here, Now We Can Start"

Each year another choir attempts to minister through music, and this choir is uniqically one that will be remembered for the talent that it possessed. Many concerts were given throughout the southland to promote the school and the Lord. The sparkling smiles, and the energetic songs were a testimony and this experience helped to bring about spiritual growth and musical testimony to God at work in our lives.

Reflection in Song

Under the direction of Mr. Don Norville, Ambassador' Senior Choir has produced the new Ralph Carmichael musical- "I'm Here, God's Here, Now We Can Start." A performance ministry began early in the Fall with the pastor's breakfast and continued with Sunday night services once a month in churches. Besides a set of contemporary arrangements on familiar carols for the all school Christmas program the Choir's performances have also included youth rallies and television appearances during the Spring semester. Mr. Norville composed a Communion musical especially for Ambassador's choir which was the concluding performance of the year.

To My Beloved,

To say Thank-you could not express my gratitude toward you for supporting "My Yearbook". Yet I have Thanked you like no man has ever done so before.

You have had a part in creating "My Annual", whether it be large or small, you personally have made it possible for "My Image" to be portrayed.

Through your unselfish sacrifice and giving, whatever they might have been, you have had a part in "Reflecting My Image" so that all may see and know me.

To simply say "I Love You" could not fully express "My Love" for you, because of your concern. But, remember I have already proven "My Love" for you.

Do you know how I have Thanked you? Do you know how I have Loved you? I died for you. Likewise you have shown a small part of your Thanks and Love for me, you assisted "My Yearbook" and "My Staff".

As you have seen how I have Blessed the book you have realized I have returned your sacrifice once again.

I pray you feel the same way, I do toward this "My Reflected Image".

I Love You,

Jesus Christ
